

SOCIETY FOR EXPERIMENTAL BIOLOGY PRESENTS:

2026 ANNUAL CONFERENCE

FLORENCE, ITALY

7-9 JULY 2026

SEBIOLOGY.ORG

#SEBCONFERENCE

FLORENCE 2026

CELL BIOLOGY SESSIONS

- Reactive oxygen species in cellular function: signals of resilience
- Signalling and cellular adaptation: mechanisms of stress response and differentiation
- Posttranslational modification and stress response
- Communication across plant, animal and bacterial immune systems
